June 2014

Open Meeting - Tuesday, June 3rd. 2014

Guest speaker - **Trish Symons**

of Hockley Meadows Farm

R.R. #5, Orangeville

Her topic is:

"Know your limit and garden within it"

We make too many costly mistakes in planning new gardens or renovating old ones. This presentation addresses those things you should consider before starting any new project.

Don't forget to lug-a- mug!

One of the healthiest ways to gamble is with a spade and/or a bursary for our District 16 horticultural students....

Last year, some of you helped 7 students receive the **Dr. Raymond E. Ives Horticultural Award Fund!**

We would ask you to lend a hand to **promote** this bursary which would enable us to support students with our love of horticulture.
