

Barrie Garden Club Photo Competition Guidelines

After a successful 2014 photo contest, another competition will be offered this year – 2015.

The categories are as follows:

1. Dazzling Dahlia – photo of a single dahlia flower
2. Climbing the Walls – photo of any vine climbing a vertical surface
3. Garden Implements Re-born – any garden tool(s) or implement(s) etc shown in a re-purposed mode

Guidelines:

- Entrants must be a member of the Barrie Garden Club
- Photo must be taken *by the member* during the calendar year 2015
- Each entrant may enter up to three (3) entries in each category
- Winners will be determine by the membership, by most popular vote, at the November pot-luck wind-up meeting
- Contestants will make their own copies of their entries
- Photos may be no larger than 4 inches x 6 inches in size
- Photos must be matte finish – either portrait or landscape orientation
- Attach an address label to back of each photo so they may be returned to the correct member
- Submit photos to photo committee members for mounting on display board prior to start of November meeting so they may be viewed.
- Winners will be announced at the conclusion of the pot luck dinner
- Winning photos in each category will be showcased on BGC 2016 Members Guide

Judging

A different approach is being used in 2015, in that all the members present at the November 2015 Pot Luck wind-up meeting will cast ballots in favour of the photo they like best in each of the three categories.

Majority rules.
